

## SCHOOL BOARD MEETING REPORT

Board Meeting Date: 4/18/2017 Superintendent: Dave Valenzuela

Administrator/Staff: Tiffany Maki

Type of Item:  Informational  Action

**Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?**

I am planning on taking a group of North Valley High School Leadership students to Disneyland June 26th-29th. There will be 8 adult chaperones, three of whom are District Employees. We will be traveling in rented 15 passenger vans. The trip is all fundraised separately and will not cost ASB or the district one dime.

**Provide history/background information on your proposal:**

We took this trip two years ago and it was an excellent time of bonding for our students. They work many, many extra hours during the school year to make school events happen and they don't get a lot of thanks or recognition. In fact, most of the feedback they get is just complaints. This trip is a reward for a lot of hard work and a job well done.

**List the advantages of your proposal:**

Students learn the value of earning money to pay for rewards.  
Students who do extra work are rewarded for their efforts.  
It's a decent recruiting tool for the class.

**List possible disadvantages of your proposal:**

None.

**List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?**

None.

Superintendent's recommendation(s):

Approve: Yes  No
