## Safe Fleet Preventative Maintenance Program

Ensure your fleet safety systems are running optimally, increasing system and safety performance and reducing operational cost.

ASK US HOW IT WORKS

All purchases must be confirmed with an authorized signature from the purchaser; company issued purchase orders should be provided for all purchases exceeding \$10,000.00 (in addition to authorized proposal). Any purchases that are exempt from sales taxes must be accompanied by a tax exemption and/or resellers certificate.

By signing this proposal (the "Proposal") (or, if this Proposal is attached to, referenced in, or otherwise accompanies any other agreement, statement of work, purchase order, or other similar document, by or between the parties and/or their applicable affiliates (any of the foregoing, collectively, the "Accompanying Agreement"), then by signing such Accompanying Agreement), the Customer agrees to all terms and conditions set forth herein, including without limitation those set out in this Comments and Terms section, and to the Safe Fleet Video & Telematics Products and Services Standard Customer Terms & Conditions, currently available at [safefleet.net/v-and-t-general-terms](https://safefleet.net/v-and-t-general-terms) (as may be updated or amended by Safe Fleet from time to time in its discretion, the "Ts&Cs"), which are incorporated herein and will govern all products, services, and other matters set forth herein. Capitalized terms used but not defined herein shall have the meaning ascribed to them in the Ts&Cs.

Customer and Safe Fleet expressly agree that, notwithstanding anything to the contrary in the Accompanying Agreement, including any provision thereof relating to order of precedence, conflicts, or "battle of the forms," in the event of any conflict, ambiguity, or inconsistency (any of the foregoing, a "Conflict") between any term, provision, requirement, request, specification, or other provision (any of the foregoing, a "Provision") of the Accompanying Agreement and any Provision of this Proposal (including, for clarity, the Ts&Cs), this Proposal shall prevail and control; Customer and Safe Fleet intend this Proposal to be, and this Proposal shall be deemed to be, an amendment to any Conflicting Provision of the Accompanying Agreement.

The warranties applicable to the products, services, and other matters set forth herein are available at <https://www.safefleet.net/product-and-service-warranties> (the "Warranty Documentation"). Notwithstanding any other provision in this Agreement, the Warranty Documentation sets forth the sole warranties with respect to the products, services, and other matters set forth herein, and Safe Fleet hereby expressly disclaims all other representations and warranties, express or implied.

Seon cloud-based services, metadata retention duration: Transit systems

Metadata for Seon's vMax Commander and vMax Live Plus cloud-based services (standard service), is maintained for 12 months and then permanently deleted from the Seon cloud servers.

Metadata refers to all records created, input, or collected through the cloud-based service and stored on our cloud servers, excluding Media Files as described below:

Metadata includes

- Data created, input, logged or collected through the cloud-based service related to the fleet, vehicle location, or vehicle speed, and operational data related to alarms.
- Equipment health check information

Metadata does NOT include

- User names and passwords
- Media Files – **any audio, video, or photo data that is** created, input, or collected through use of the Software service
- Any fleet set-up data entered by users such as bus IDs, route IDs, driver IDs, vehicle types

This quote is valid for up to 60 days. All sales are final. A restocking fee of 20% will apply for any product returns and/or exchanges requested after initial shipment of the product. Note that product returns and/or exchanges will only be accepted for new, unused product that is within the original, unopened packaging.

Thank you for the opportunity to provide a Proposal for your mobile surveillance and fleet management needs. We trust this customized solution will help you meet your goals for passenger and driver safety and security.

Please feel free to contact me directly at 1.877.630.7366 if you have any questions or concerns. We look forward to partnering with you.

Best regards,

Jayson McCarty
