## ANNUAL STATE OF OUR SCHOOLS

2013 - 2014

### BUDGET HISTORY:

Total 2013-2014 budget: \$10,657,230

Total 2012-2013 budget: \$10,251,065

Total 2011-2012 budget: \$ 8,064,837

### SHERIDAN SCHOOL BOARD GOALS

1. Annually, 90% of SSD students in Math and Reading will meet individual growth targets, as measured by the Oregon State Assessments (grades 3-11) and DIBELS/easyCBM assessment system (grades K-2).
2. Annually, all schools in SSD will improve their Achievement rating by 1 level as measured by the State of Oregon Report Card. Once a school has reached a level 4 rating the school will maintain that rating or higher.
3. Annually increase 4 year and 5 year Graduation Rate by 3 percent, as measured by the State of Oregon Achievement Compact.

### ACTIONS TO ACHIEVE OUR GOALS

1. Build an outstanding education system
2. Improve student achievement through continuous improvement and assessments
3. Provide an effective educational organization to support student achievement
4. Support a climate of collaboration to support and promote student achievement at all grade-levels

### A Message from the Superintendent

It is an honor to join the Sheridan community as your new superintendent. Becoming part of the Sheridan School District educational community has been exciting and I am proud to serve our community, staff and students. I am pleased with our child-centered practices and I believe we must work diligently to improve student academic success.

We are dedicated to giving your children the best education we can. There are many changes facing education in Oregon and the nation including new assessments, common standards and new evaluation systems. We are working to adapt to these changes while improving the education we deliver to students on a daily basis.

Programs such as AVID, Capturing Kids' Hearts, and tutorial will continue to support student learning. We will also continue to offer students a variety of educational settings so that all students can be successful.

I have been impressed with our students and the support of our community for the school district. I want to encourage you to become even more involved with your schools. One of the best ways to be involved is to volunteer in the schools. Another great way to be involved is to volunteer with the various committees and parent groups such as the School Bond Committee, Booster Club or the Sheridan Education Foundation.

If you have any questions, please call me at 971-261-6959 or check out our website: [www.sheridan.k12.or.us](http://www.sheridan.k12.or.us) for the latest news about our schools.

Sincerely,  
Steven Sugg

## Assessment Test Results

Students in grades 3<sup>rd</sup> through 8<sup>th</sup> and 11<sup>th</sup> grade are tested in reading and math each year to determine progress toward state benchmarks. These tests measure the “things a student should know” by a grade level. The graphs below show the percentage of Sheridan School District students that have met state benchmarks over the last five years. It is important to note that state tests are a one-time snapshot used to assess how students are doing. State tests are used along with other assessment data to track student progress. The Oregon Department of Education utilizes the state test results to determine how successful a school district is in relationship to state averages.
