### Site Council Minutes December 15, 2015

Members Present: Darrell Erb, Mindi Gallegos, Cathy Agnifili, Sharon Vidlak

Members Absent: Wendy Jackson

#### **Old Business:**

Traffic Safety: The Williams Community Safety Committee has taken steps to put GO SLOW WILLIAMS throughout the community and those efforts continue as parents continue to be concerned about drivers not slowing down for the Williams school zone. All students also received reflective safety backpack patches to remind parents and community of all of our efforts to create a safe environment for our students. According to our Office Manager, Mindi Gallegos, the traffic in front of the school has slowed considerably.

School Improvements: Maintenance had a load of bark delivered from Ground Control in Medford for our playground. This was much needed – the distance between swings and the ground was too high for our smallest students – with the new bark, we will see an uptick in both safety and fun.

#### **New Business:**

Up Coming Field Trips: Mrs. Wardle's class is scheduled to attend a field trip to ScienceWorks in January.

#### Overview of Budgets:

Mr. Erb and the site council discussed some needed purchases for the remainder of this year. We are in need of two new projectors for our K/1 and 4/5 Classes, as well as additional headphones for existing Chromebooks, Chromebooks for teachers, and rewards for the Accelerated Reader program. The site council was in support of purchase of these items.

Mr. Erb presented the 2015-16 Fund 100 and 150 budgets, as well as the Title One budget. The council discussed line items and what purchases can be made under each of them.

#### Current Events:

Winter Holiday Program scheduled for Wednesday, December 16<sup>th</sup> at 7pm. All classrooms and the main cast have been working hard and practicing songs and lines. Another great standing room only program that made the Grants Pass Courier once again! Congratulations must go to our students K-5, our wonderful director, Mindi Gallegos, and the helpful staff who made this another award-winning show!

AR Program: Two Students have already reached the status of Super Star Readers and have earned Pizza with the principal! The choice of toppings was evidently the right choice as there was reportedly NO PIZZA left for the Principal, much to his chagrin.
