STAFF MEMBERS PRESENT: Dirk Dirksen, George Mendoza, Cheryl Costello, Erika Patton, Erin Stocker, Tracey Johnson, Marie Shimer, David Norton, Matt Combe, Dieter Waite, Ryan Keefauver, Sarah Kimmell, Brandon Hammond

OTHERS PRESENT: n/a

Call to Order

The work session was called to order at 5:45 pm by Chair Becky Kindle. The purpose of the work session was a dinner and tour of the Riverside Shop.

The Life Skills class, under the direction of Charlene Baker, utilized skills they have been learning and cooked dinner for the board and administrators. A delicious Mexican style dinner was served.

After dinner, Mr. Graff and Mr. Cornelius along with many students provided a tour of the shop. Students discussed how they are using computers and technology in the classroom. Students explained use of Rhino 5.0 and 3D modeling. The tour also included a demonstration and explanation of 3D printer's students are using to create 3D models such as E-Nable prosthetic limbs. Mr. Graff explained the remodeling that is taking place in the welding room: new ventilation, new electrical, new booths and a plasma cutter. Prior to entering a welding booth, students work on a welding simulator to enhance their skills. There was a quick demo of the robot students built and competed with, finishing in 1st and 2nd place. Riverside is planning a robotics summer enrichment program.

Chairwoman Kindle adjourned the work session at 6:57 pm.

Respectfully submitted:

Cheryl Costello
Board Secretary

Becky Kindle
Board Chairwoman
