SUBJECT: Update and Reimplementation of Policy 6600 Naming of School Facilities and Mascots

Policy 6600 Naming of School Facilities and Mascots was previously repealed and integrated with the Donation policy. It was determined this policy needed to be a stand-alone policy therefore it has been revised and updated. The update includes the District's current practices for naming and renaming a school and outlines the procedures for naming facilities within a school. Our Legal Department has requested an update to this policy. We are seeking Board approval of this policy on a first read.
