Background Information

Many boards set the board members' compensation for the year at the organizational meeting. State law allows the clerk, treasurer, and superintendent of any district to receive such compensation as may be fixed by the board. The law also allows the board to fix compensation for the other members of the board (M.S. 123B.09, Subd. 12). Attached is a copy of the Minnesota School Boards Association's annual survey showing compensation levels for districts throughout the State.

In 2020, the salaries for Red Wing school board members were the following:

- Chair, \$3700
- Clerk, \$3500
- Board Members, \$3000
- \$30/committee member/meeting for negotiators

Recommendation

The board will consider motions during the meeting.
