724 responses

THE VOICE FEEDBACK

Version 1 - Pros

- Breaks: lengthy holiday break and additional time off for spring break allows more more time to travel, religious breaks, and a mental boost
- Professional Development: good for all teachers and good spacing for PD days and quarter start/ stop
- Labor Day is before the start of school/ no school in August

Version 1 - Cons

- Long PD/ break (10/31-11/4) leads into first quarter ending 11/6, with 1-2 days for students to get assignments in and teachers to answer questions
- Semesters ending on a Tuesday (for the same reasons as above)

THE VOICE FEEDBACK

Version 2 - Pros

- Good start date (September 2nd)
- Additional days off
- Lots of teacher planning days
- Less school days in April

Version 2 - Cons

- Spring break inconsistent with neighboring districts, which would impede social time with friends and vacation opportunities
- Not having all of Thanksgiving week off
