Meeting: April 3, 2019 – Special Board of Education Meeting

Category: Business Item

Subject: Approval of Awarding the Contract for the Kasaan School Covered Play Area - A/E Design Services Project to Millard + Associates Architects, LLC

RECOMMENDATION

It is the administration's recommendation that the School Board approve awarding the contract for the Kasaan School Covered Play Area - A/E Design Services Project to Millard + Associates Architects, LLC.

PERTINENT FACTS:

Southeast Island School District was awarded a Capital Improvement Project (CIP) grant for to construct a covered play area at the Barry Craig Stewart Kasaan School (GR-19-005). The architectural/engineering design services are included in the budget of the grant award. The District's Maintenance Director, Branzon Anania, contacted vendors to submit proposals for this project. He received two proposals and one response of no interest for this project. Millard + Associates Architects LLC provided a proposal that met the project criteria at a price (\$34,498) that was most advantageous to the District and met the budget constraints of the grant.
