

Morris Area High School Board Report  
Bill Kehoe, High School Principal  
January 15th for the January 20th Meeting

- Winter testing has been taking place over the last couple of weeks. Students in grades 7th and 8th grade will take a test in reading and mathematics. We are also administering a reading test to our 9th through 11th grade students to meet requirements for the Minnesota Read Act. Data collected will be used to monitor student growth and will be used for student programming.
- Second quarter and first semester ends on January 16th. Grades will be available for students and parents to view on January 26th. Student schedules for second semester are being finalized and in the upcoming weeks we will begin to work on the 2026-2027 registration guide and master schedule.
- On January 28th - January 30th, I will be attending the MASSP (Minnesota Association of Secondary School Principals) Conference in Minneapolis. This conference allows me to network with colleagues and engage in professional development.
- Ms. Asche and her Unified PE class will be hosting their annual Clair Exner Hockey Showcase on Friday, February 6th at 8:30 in the elementary gym. All are welcome to attend.
