

Transportation Report July 2024 Activities

The ISD #709 Transportation department manages both a district owned fleet of vehicles and district employees, including bus drivers, monitors, and mechanics, along with the coordination of contracted transportation services through Voyageur Bus Company.

We have completed our summer routing and have been working diligently on next years routes to assure a smooth start to the 24-25 school year.

Staffing (comments and concerns)

- We are short on drivers and helpers for the start of school.

Bus Maintenance

- The mechanics are getting the buses ready for inspections which has been pushed out until the end of the month.

Our oldest bus is a model year 2012 and the next oldest is a 2014. Average mileage for this month is 83,114. Our goal is to have 50-60k miles average.
