Grade 7 and 8 ActivelyLearn

ActivelyLearn is a website that students can access at home. It contains books and articles that we read in class, but it also has an independent library for kids. I have downloaded two AR books ([White Fang](#) and [The Secret Garden](#)) and have challenged students to read one of the books by the end of the quarter.

FROM OUR SCHOOL BASED HEALTH CENTER

ATTENTION PARENTS OF 7th GRADE STUDENTS: Many 7th grade students are due for a tetanus/whooping cough booster shot (Tdap) this year. If your student is not up to date on this (and all other vaccines) by February, they will be excluded from school until they get caught up. Please check with the school or the school-based health center to see if your student is due! Please try to get this done before February. Contact the school-based health center at 541-592-6978 to arrange to have it done during school.

PARENTVUE & STUDENTVUE

ParentVUE and StudentVUE are websites that offer secure, private access to school and student information, including assignments, grades, attendance, school calendar and teacher contact details. In ParentVUE, you can see the information for all of your students.

To create an account, navigate to:

www.threerivers.k12.or.us/parentportal

Please call the school first for your activation key.

SYNERVOICE

Synervoice is used to send out important messages about school closures and school events. When you get an

automated call from LBMS using this program, it is important to say "Hello" as this triggers the message to start. If you have voicemail, it will leave a message. Please listen to the

message in its entirety, then call the school for any unanswered questions.

If you have an email registered with the school, we will often send emails as well. Synervoice is also used for attendance calls. If your student has been marked absent in any class, the system will call you to make you aware of this absence. Please listen to the message in its entirety before calling the school.

FROM THE OFFICE STAFF

Please remember that the cut-off time for changing after school plans is 1:30 p.m.

While we realize that this is sometimes unavoidable, whenever possible please talk over plans with your student before school and provide them with a bus note if needed. Thank you.
