

Lincolnshire-Prairie View School District 103

Memo

To: Board of Education
From: Scott Warren, Ed.D.
Date: July 11, 2024
Re: Approval of Amended School Calendar

The half-day school improvement day currently scheduled for May 28, 2025 falls on a Wednesday. This is the customary schedule for the school improvement day as Outdoor Education for 4th-grade students typically falls on the Thursday and Friday of that week. Teachers can attend the improvement day with this schedule. This year, Outdoor Education is scheduled for a different week. To make the week more consistent for students, I recommend we move the half-day school improvement day to Friday, May 30, 2025.
