

## North Slope Borough School District & Iñisaġvik Board of Trustees Joint Meeting

Tuesday March 9<sup>th</sup>, 2021 9:30A.M.

ZOOM Videoconference

### Our Plan for the Day

**To help guide our meaningful conversations for the day and how best to support our students and community, we must ask ourselves:**

1. What do we want to have --Debated--Decided or Discovered during this meeting?
2. What do we need to know to be healthy, successful community members, what do we learn in school, and what is the difference?"
3. How can we Iñisaġvik & NSBSD improve partnerships?
4. How can we reach all of our North Slope students?
5. Opportunities for synergy? Ways we can partner/support one another?
6. What do you want them to say when stakeholders ask, "What happened at this meeting?"
7. What do you want our entities and board members to walk away with?

### How we plan to honor everyone's time sharing:

March Madness Buzzer Beater \*Timer Format

This meeting takes place during March Madness ☺ our communities are basketball fan-atics, we want to take the shot clock approach. We are going to allow for Presenters/Speakers to have \*X minutes to present, followed by \*X minutes of discussion. \*Facilitator Cordelia Kellie currently working on finalizing the process.

### NSBSD Mission Statement:

Learning in our schools is rooted in the values, history and language of the Iñupiat. Our priority, purpose and responsibility is to partner with families and community to provide high-quality education resulting in students that are...

- Critical and creative thinkers able to adapt in a changing environment and world;
- Active, responsible, contributing members of their communities; and
- Confident, healthy young adults, able to envision, plan and take control of their destiny.

### Iñisaġvik College Mission & Vision Statement:

**Mission:** Iñisaġvik College provides quality post-secondary academic, vocational and technical education in a learning environment that perpetuates and strengthens Iñupiat culture, language, values, and traditions. It is dedicated to serving its students and developing a well-educated and trained workforce who meet the human resource needs of North Slope employers and the state of Alaska. **Vision:** To help build strong communities through education and training.
