Subject: Adult Education - Program of Study

LPS Adult Education operates at the Cass Educational Center and it encompasses four programs to include Adult Basic Education, the High School Completion Program, High School Equivalency Courses, and Adult English as a Second Language (ESL). The state and federal grants that provide the funds for these programs require BOE approval of the Adult Education Program of Study. The Adult Education Program of Study was shared with BOE members at the October 8, 2018 Study Session.

I am requesting that this topic face continued review and be placed on the agenda of the Committee of the Whole Meeting of October 15, 2018.
