Items of interest:

Changes to the TPRI (Texas Primary Reading Inventory) required new technology this year. Teachers are using iPads and iTouches for this benchmark testing. WiFi has also been made available on our campus to support the new technology. iPads and iTouches may also be checked out by teachers to use with students in the classrooms.

Gloyna's Garden is being expanded on our campus thanks to efforts by Mrs. Cheek, Mrs. Powell, and Mrs. Hudson. Work is already in progress.
