Date	February 24, 2025
Agenda Item	Public Hearing of the 2023-2024 Annual Report
Policy Reference	EKB (Legal)
Strategic Goal	Student Success
Department	Teaching & Learning & Technology & Student Information Systems

Recommendation:

The administration recommends the approval of the Annual Report.

Summary:

The Texas Education Code 39.306 requires each district's board of trustees to publish an Annual Report that includes the following district information:

1. Texas Academic Performance Reports (TAPR) prepared by TEA
2. PEIMS Financial Standards Reports
3. District Accreditation Status
4. Campus Performance Objectives
5. Special Education Determination Status
6. Report on Violent or Criminal Incidents
7. Student Performance in Post Secondary
8. Progress toward meeting HB3 goals

Rationale:

Overall student performance data, aggregated by ethnicity, sex, grade level, subject area, campus, and district, shall be made available to the public, with appropriate interpretations, at regularly scheduled meetings of a board, after receipt from TEA. The information shall not contain the names of individual students or teachers. Education Code 39.030(b) requires that within 90 days of the release of the final TAPR, winter break not included, districts must hold a hearing for public discussion of the annual report of their educational performance, which includes the final TAPR and other required data. Districts must also widely publish their annual reports along with the final TAPR within two weeks following the public hearing.
