

# **RJHS Fee Amendment Request:**

## **\$30 - Participation fee for the Uintah Basin Honor Band**

- Fees will be collected at RJHS and paid to Uintah School District in one check.
- This fee covers the cost of music, and clinician for the event.

### **Uintah Basin Honor Band:**

- This is an opportunity to celebrate our students who are hard working and achieving amazing things in band. They get the opportunity to learn from a new conductor who is extremely talented and distinguished in their field. Last year our students who participated learned from UVU professor Dr. Chris Ramos. Students make new friends and play alongside other musicians from the Uintah Basin and learn from them in rehearsal and performance of music selected by the guest conductor.
- This would be our second year participating. Students from last year still talk about how much they learned and how amazing the opportunity was, as well as how excited they are to participate again.
- We were not informed about the need to include it on the fee schedule, but intend to include it for the future.

*Thank you for your attention to this incredible opportunity for our students and consideration in amending the fee schedule for our students to participate.*

# **HONOR BAND MARCH 26-27, 2026**
