2. Equal opportunity for all students to participate in the total program of the school.
3. Continual study and development of curricula toward improving human relations and understanding and appreciating cultural differences.
4. Training opportunities for improving staff ability and responsiveness to educational and social needs.
5. Opportunities in educational programs which are broadly available to all students.
6. An appropriate learning environment for students which includes (1) adequate instructional books, supplies, materials, equipment, staffing, facilities and technology; (2) equitable allocation of resources; and (3) a safe school setting.
