This out of state travel request is for Casey Alderson and three teachers to attend the National Career and Technical Education Vision Conference. This annual conference is held in Phoenix AZ on November 28th to December 3rd.This conference breakout sessions revolve around strengthening CTE programs and increasing participation in our Programs of Study.

Provide history/background information on your proposal:

This conference is paid for through Perkins and SOESD. The VISION CTE/STEM conference is an annual conference with presenters from across the west region and is a requirement for professional development throught the CTE Consortium. The agenda has specific presentations to TRSD issues and classrooms
and I will be able to bring those back to our teachers in a followup conference. This conference is part of our district CTE plan and budgeted in our Perkins allocation.

List the advantages of your proposal:

Advantages of this conference is that it provides information on many topics that are pertinent to starting new CTE Porgrams in our district and is paid for through our Perkins grant. The knowledge gained will be shared with our CTE/STEM teachers in a followup professional development training
and travel costs are covered by CTE and Perkins funding. General fund costs <$100.

List possible disadvantages of your proposal:

The training is out of the state and will require travel.
