## Currently Working On

### Teaching and Learning

- **Explicit Instruction**
- We had a goal for each grade level teacher to record a 10 minute lesson and share it with a colleague. Each teacher will also fill out a reflection sheet on the lesson. We want to grow our comfort level with recording ourselves and we also want to encourage teacher reflection on their teaching. We have an explicit instruction leadership group meeting on April 23<sup>rd</sup> to check in on how this goal went and to set the direction for the remainder of the school year.

### Student Relevance Goal

Redefining Ready – Cesa 9 is designing a template for our Redefining Ready report card based on the indicators and points of pride that I sent over to them. A draft of our elementary card is below:

### Whole Student

- **-PBIS (Hatchet Pride)**
- We will continue to have both Tier 1 and Tier 2 Hatchet Pride meetings. We are striving for consistency throughout the building with our matrixes of expectations being visible throughout all areas of the building and consistency of follow through
- **April 22<sup>nd</sup> -4<sup>th</sup> Grade** is taking a field trip to Madison- They are leaving at 8:15 and returning at 6:45 p.m. I like the fact that our 4<sup>th</sup> graders will see the capital. I feel it's very important to know this in connection to their study of Wisconsin.
- **May 6<sup>th</sup> – 5<sup>th</sup> Grade Dare Graduation** 6:00 p.m.
