**Snow Removal Contract Recommendations:**

We were fortunate enough to get four (4) different contractors to bid our snow removal work. We had one contractor bid on all of our sites, one contractor bid on 7 sites, one on all but Hatley and one bid on 3 sites. The bid opening took place on September 12, 2014 at 10:00 a.m. One contractor attended the opening. We then evaluated the overall bids and reviewed district historical costs for plowing, snow removal, and salt/sanding. Various scenarios were calculated as we had a wide range of comparable bids for contracted plowing and sand/salt applications. Final recommendations for the offering of contracts for snow removal services for our school district are attached. As you can see, three local contractors will share in the district snowplowing contracts.

Upon board approval, my office will issue contracts to the vendors on the proposed list.

Approval is recommended.
