

School Board Meeting:

May 29, 2012

Subject:

Reading Well by Third Grade

Presenter:

Pam Miller, Jenina Rothstein

SUGGESTED SCHOOL BOARD ACTION:

Report only. A report will be presented at Tuesday's Board meeting.

DESCRIPTION:

In the last legislative session, the MN legislature rewrote state statute 120B.12 that requires all students be provided with scientifically-research based reading instruction according to section 122A.06, subdivision 4. The legislature seeks to have all of Minnesota's children reading well by third grade. Part of the statute states that districts must complete a local literacy plan and submit K-3 assessment data to be eligible for the Literacy Incentive Aid.

This report is to inform the board of the district's local literacy plan before it is posted on the district website as instructed by the state department.
