Financial Reports: were presented by Superintendent Mr. Tammi. We received a Con Con check from Koochiching County this last week of \$174,000. Last year the district received a Con Con check from the County at \$344,000. This difference of \$170,000. Since this money fluctuates from year to year and our district does depend on these funds for our daily operations, Mr. Cairns did include this in our budget this year for \$330,000. Back on July 1, 2019, Deerwood Bank implemented an interest rate floor of 1.3% APR on ALL of the District's interest bearing deposit accounts. This remained in effect through August 31st, 2020. On September 1st, this interest rate floor was reduced to 0.35% and this rate will remain in effect through August 31st, 2021.

Northome Principal Report: "At Northome School, it is the mission of every staff member to work together to close the achievement gap, while raising the bar on student achievement." Homecoming Week is next week. The theme is: BACK TO THE FUTURE. "WHATEVER YOU DO MUSTANGS/STARS DON'T GO TO 2020". Please see the flier with the different theme days and activities for classes to participate in. Thank you Beth Skoe and Monica Fontana for stepping in to make this a special week for our students and staff. The winner of Mask Mania last week was the 7th grade class! Each winning class receives ice cream at the end of the week! I would like to welcome Sophie Eitenmiller and Jamie Skoe to our Special Education para team. They will begin their new roles on Monday. October 19th. Bus Safety week will be October 19-23rd. I will be sending out different videos and resources to use within your classrooms throughout the week. We will have bus evacuation Tuesday morning when students arrive. If you are not assigned to a homeroom, please come outside to give a hand. Continue to use the four guiding questions in your daily instruction: What are students supposed to know and do? How will we know when students have learned it? What will we do when students haven't learned it? What will we do when students already know it? Please send me celebrations and acknowledgements of appreciation for Northome staff members...We have many people doing extraordinary things in this building and we need to share with our colleagues. Congratulations to Corey White for earning the Golden Apple for the month of October. Mrs. Lindner nominated Corey for going above and beyond in his position. Distance Learning and all that it entails would not be happening without your patience and dedication. THANK YOU COREY! We want to wish Courtney Moyer and Amanda Schackman the very best in their new adventures. Thank you for all that you have done for our students. Big props go out to everyone that has stepped in to help fill schedules when staff need to be out of the building. We are so thankful for all of your TEAMwork. Point to Ponder: "If you're creative like Steve Jobs, caring like Mother Teresa, persistent like Thomas Edison, clever like McGyver, and a showman like P.T. Barnum... you might be a teacher."

School Board Report: None

Superintendent Report: Discussion on Live Streaming Board Meetings: MSHL, along with MDE and MDH have told the public they are allowed to watch sporting events in the school building. Two guests per player indoors and a limit of 250 guests outside during other sporting events. The Northome/Kelliher/Littlefork Stars Football game was cancelled this evening due to Covid-19 concerns on the Mountain Iron-Buhl Campus. I know I continue to write this in our weekly Board Update, but I want to say how grateful I am for the leadership we have between both Unofficial Minutes of October 14, 2020 Regular Meeting Indus and Northome schools. Our principals and their leadership teams, along with all of our staff have been doing a great job keeping our students safe during this Covid-19 pandemic. I wake up each day thankful to be able to work with such a fantastic group of people who care for each other and the students that attend our schools. I can only hope that we are able to continue with the model we are currently in because it is working. I know with distance learning and in-person learning students in each class, it is additional work for our teachers, but they do it without complaint because they know it is what is best for our kids.
