Information:

Purpose:

The Board of Education approves all contracts and expenditures in excess of \$10,000.

Fiscal Impact:

Six bids were received for the Lincoln Hall Phase III abatement project on May 11, 2018. The bids ranged in price from \$45,250 to \$100,000. The apparent low bidder, M&O Environmental, did not submit the appropriate documentation and therefore was disqualified. The successful bidder was EHC Industries, Inc. in the amount of \$47,000.

United Analytical Services, Inc., the District abatement consultant, provided the attached bid Letter of Recommendation, bid tabulation sheet and signed AIA Document A101-2007.

District legal counsel created the contract included in the bid packet, and the contract was accepted by EHC Industries, Inc.

Recommendation:

The Administration recommends that the Facilities Committee support the recommendation to enter into an agreement with EHC Industries, Inc. for Lincoln Hall Phase III abatement work in the amount of \$47,000.
