

## **BOE Scorecard Report**

**(THESE ARE DISTRICT WIDE REPORTS - STICK TO BULLET POINTS DAN)**

### **Academics:**

- Continuing our Guaranteed and Viable Curriculum work
- Conducted data meetings
- Continuing to explore and implement academic intervention blocks
- Adopted new ELA & Math curriculum
- Piloted a writing and district wide communication platform. After piloting the Bloomz platform, we have decided to adopt for the 25-26 school year
- Preliminary data points are looking positive

### **Growth & Sustainability:**

- Continue to use Studer surveys to drive decision and create our 25-26 action plans
- We are using the Rounding process with all staff members

### **Culture & Community:**

- Wellness Team continued working with the Anti-Bullying program which includes collaboration with the task force 3 times this year
- We have analyzed our Studer stakeholder survey (parent, staff, student) with our SIP teams to create action plans for 25-26
- We continue to expand our cannabis education within the district
