Superintendent's Report
June 2016

This month we joined with students and families across the city to celebrate high school graduation. This year was especially moving for my wife and I – it's hard to believe that our youngest is off to college! That will take some getting used to! One of our most important responsibilities as educators is to help young people prepare to enter the world with the tools they need to be successful – whether that means going off to college, enrolling in culinary school, entering a construction apprenticeship, joining the military or joining the job market. As we prepare for a new school year, we'll continue to look at ways to help all students be college and career ready when they leave our schools and to ensure all students graduate on time.

We also celebrated with our retiring teachers, principals and staff – many thanks for their years of service to our students, schools and community and for helping make a positive difference in the lives of children in Duluth. Following a thorough search process and with the assistance of teams of teachers, parents, community members and administrators, we hired four new principals to lead our schools - Amy Worden at Homecroft, Cynthia Maldonado at Stowe, Elisa Maldonado at Myers-Wilkins, and Danette Seboe at Duluth East High School. There were quite a few candidates who applied and we're excited Amy, Cynthia, Elisa and Danette agreed to join our team. We wish all of them a very warm welcome to the district.

Also, please note that we've updated safety and security procedures in this building to more closely align with those at our other school sites. The third street entrance is now the public entrance to the building during business hours. There will be construction going on this summer to improve the driveway and parking on the third street side of the building. There is handicap access on the Lake Avenue side of the building. Pull into the driveway and the door leads to a ramp to the elevator. We apologize for any inconvenience. Please call the district office if you need assistance or have further questions about accessing the building.

Finally, the Summer Breakfast & Lunch Program started June 14 and runs through August 26. Funded by the USDA, meals are provided to children 18 years of age and under without charge, adults who accompany their children can purchase a meal for \$3.80. Breakfast: is from 8:00 AM to 10:30 AM, Lunch from 11:30 AM – 1:00 PM, ISD 709 Summer Meal Locations include Lester Park, Lowell, Myers-Wilkins, Piedmont, Laura MacArthur, Stowe, Lincoln Park Middle School, Denfeld High School, and Brown Bag Lunches at Lincoln Park Boys & Girls Club. Information is posted on the District website, ISD709.org.

Denfeld High: Johanna Unden –stated that the last month has been spent wrapping things up including spring sports, saying goodbye to retiring teachers and graduation.

East: Spencer Fredrickson – schedules are finalized for next year, there was a goodbye party for retiring teachers, the students thank Laurie Knapp for her years at East and are excited for the new principal to begin, spring sports wrapped up and they thanked the coaches and athletic directors, and finally commencement and the all night grad party was a success.

Section 1. Authority and Background.

1.01 Pursuant to the authority contained in Minnesota Statutes, Section 126C.40, Subd. 6 (the “Act”), the District is authorized to purchase real or personal property under an installment contract or may lease real or personal property with an option to purchase under a lease purchase agreement upon application to, and approval by, the Minnesota Commissioner of Education.

1.03 By Resolution No. B-5-08-2541, adopted May 29, 2008, the School Board determined that it was necessary, expedient and in the best educational interests of the District’s pupils and residents that the District enter into an installment purchase contract pursuant to the Act to finance the costs of the Project and issuing full term certificates of participation in the installment payments under the installment purchase contract in the maximum principal amount of \$111,440,000 pursuant to a declaration of trust.

1.04 Pursuant to the Act, the District applied to the Commissioner of Education for permission to make an additional levy for the installment payments under the Contract to finance the Project, and the Commissioner authorized the Project and the levy.

1.05 The District selected U.S. Bank National Association, St. Paul, Minnesota (the “Trustee”) to act as vendor and the trustee as follows: the Trustee, as vendor, entered into an Installment Purchase Contract dated as of June 1, 2008 (the “Contract”), with the District regarding the acquisition, construction and equipping of the Project, and the District and the Trustee entered into a Declaration of Trust dated as of June 1, 2008 (the “Declaration”), pursuant to which Full Term Certificates of Participation, Series 2008B, in the installment payments under the Contract in the principal amount of \$111,440,000 (the “2008 Certificates”), were executed and delivered by the Trustee.

1.06 Pursuant to approvals from the Commissioner of Education, the District has entered into two amendments to the Contract and two supplements to the Declaration in

1.07 Under and pursuant to the Act and Minnesota Statutes, Section 475, Subdivision 1 through 12, the District hereby determines that it is necessary, in order to reduce debt service costs, to refinance the outstanding 2008 Certificates through the issuance of Full Term Refunding Certificates of Participation, Series 2016A (the “2016 Certificates”).

Section 2. Sale of 2016 Certificates.

2.01 The District has retained PMA Securities, Inc., in Albertville, Minnesota (“PMA”), as independent financial advisor in connection with the sale of the 2016 Certificates. Section 4. Minnesota School District Credit Enhancement Program.

4.01 The District hereby covenants and obligates itself to notify the Commissioner of Education of a potential default in the payment of principal and interest on the 2016 Certificates and to use the provisions of Minnesota Statutes, Section 126C.55 to guarantee payment of the principal and interest on the 2016 Certificates when due. The District further covenants to deposit with the Trustee, as bond registrar and paying agent for the 2016 Certificates, or any

The Bond Registrar for the 2016 Certificates is authorized and directed to notify the Commissioner of Education if it becomes aware of a potential default in the payment of principal or interest on the 2016 Certificates or if, on the day two business days prior to the date a payment is due on the 2016 Certificates, there are insufficient funds to make that payment on deposit with the Bond Registrar. The District understands that as a result of its covenant to be bound by the provisions of Minnesota Statutes, Section 126C.55, the provisions of that section shall be binding as long as any 2016 Certificates of this issue remain outstanding.

4.02 The District further covenants to comply with all procedures now or hereafter established pursuant to Minnesota Statutes, Section 126C.55, Subdivision 2(c) by the Minnesota Department of Management and Budget and the Minnesota Department of Education and otherwise to take such actions as necessary to comply with that section.
