

**FOREST LAKE AREA SCHOOLS
FOREST LAKE, MN 55025**

August 2, 2018

AGENDA ITEM: 9.1

TOPIC: Determine School Board Member Liaisons to Schools for 2018-2019

BACKGROUND: Each year School Board members are assigned to the schools/programs in the district. This helps with focusing the work of the School Board members and gives staff members at each building/program/department a school board member to connect with as well.

Of course, School Board members attend events at all schools, but this allows for a more systematic way to make sure all of the schools/programs/departments have a school board member connected to their work.

The attached chart indicates board member placements from last year and the directors that are assigned to the schools/programs/departments which is also revisited each fall.

PROCESS: Discuss and decide on liaison assignments for 2018-2019

RECOMMENDATION: Board action on liaison assignments for 2018-2019
