

BUDGET WORKSHOP

Discussion Item:

This agenda item should allow for discussion related to the proposed 2025-2026 budget.

You have had the opportunity to look over the preliminary budgets we've presented for the last couple of months. Of course, a few things have changed over the course of the summer, which is normal.

Mr. Wood will be present to help explain the proposed budget and answer any questions you may have.

There is no need for action on this item.
