

Dear parkrose School board,

1/28/16

Thank you for allowing us to speak at your meeting and helping us advertise for donations for our Homeless project.

This was our 27th annual year; we donated 380 hygiene bags to The Clark Center and transitions project.

This year, PACE loaded up three buses after days of our class assembly line making hygiene bags. We also got to decorate both shelters with handmade decorations. While we were there, we got the most rewarding thank you's.

All in all, this was another great year for our homeless project and we appreciate your contribution.

Sincerely,

Artemis Kankal
