

Where Little Learners Expect Great Things!

Pickup/Dropoff Signage

Sign, sign, everywhere a sign.....

Fun lyrics! We hope our new area at the end of the day makes it easier for both staff and parents to navigate where their children are as they exit and link up at the end of the day.

We also want to say "Thank You" to our wonderful bus company Safeway for the new bus numbers and signs - they are working great! 1-10, and it helps the littles learn to count!

Caring, Kindness, and Above All, Love.

We kicked off the school year with this theme around caring, kindness and love by creating a giant heart on the football field!

Mr. Brown led the whole school at our assembly in celebrating and welcoming our new students with these three traits and a huge round of applause. At Unity Elementary, we show how much we care for all students who come to us, and the new kids sure appreciated it!
