Ms. Soto,

On behalf of the South San Antonio Independent School District, we would like to express our support of the Pearsall Housing Bond location. We believe bringing new housing to the area would help increase student population at South San ISD. The district welcomes new families to our community and we hope this new tool will spur much needed development in the area. If there is a way the district can be helpful in the public process, please reach out to us.

Thank you,

Angelina Osteguín
