

KELLER INDEPENDENT SCHOOL DISTRICT
Food Services Department

Goals for the 2006-07 School Year

1. Increase the overall percentage of participation at the district's high schools to 62%
2. Increase the overall percentage of participation at the district's middle schools to 85%
3. Increase the overall percentage of participation at the district's elementary and intermediate schools to 85%
4. A total "Out-take" store concept will be implemented at the new storefront operation at Central High School
5. The district and Chartwells' management team will develop concepts for improving service at Fossil Ridge High School and present a formal proposal to the Board by the end of October, 2006
6. The Chartwells' management team will report to the administration on the results of the pilot food bars program at selected elementary schools with recommendations and suggestions regarding implementation by the end of June, 2006
7. The Chartwells' management team will work with the administration to develop ideas for the reorganization and possible relocation of the Child Nutrition office by the end of June, 2006
8. The Chartwells' management team will actively work with the district to bring about the full implementation of the nutrition component of the District Wellness Policy
9. A comprehensive review of current employee-related issues will be undertaken with specific recommendations for job descriptions, organizational structure in school cafeterias, training needs assessment and plan for implementation, and job analyses
10. An environment of active communication between administration, Chartwells, and Board of Trustees will be maintained regarding progress toward goals and any impediments to goal attainment
