BACKGROUND INFORMATION:

There are ten local policies impacted in Update 122. A summary of revisions for the policies includes:

Based on the new notification requirements imposed by SB 271, the security breach notification provisions have been revised to include security incidents.
- CSA(LOCAL): Facility Standards-Safety and Security
This new local policy on facility safety and security includes recommended provisions addressing audits of building access control to comply with the commissioner's new school safety rules for facilities, effective May 31, 2023.
- DC(LOCAL): Employment Practices
HB 1789 creates a nepotism exception for hiring bus drivers, regardless of county population, if the board approves employment.
- EHB(LOCAL): Curriculum Design-Special Programs
New provisions are recommended to comply with HB 3928, which requires the board to adopt and implement a policy requiring the district to comply with all rules and standards adopted by the State Board of Education (SBOE) and guidance published by the commissioner to implement the program to test students for dyslexia and related disorders.

- EHBC(LOCAL): Special Programs-Compensatory Services and Intensive Programs
This local policy containing provisions on accelerated instruction has been moved to EHBCA(LOCAL)-Deleted policy.
- EHBCA(LOCAL): Compensatory Services and Intensive Programs-Accelerated Instruction
This local policy has been recoded from EHBC(LOCAL) to align with EHBCA(LEGAL) created in Update 121. HB 1416 made several changes to the requirements for accelerated instruction, and includes options for teacher requests based on state assessment performances and addresses accelerated learning plans.
- FEA(LOCAL): Attendance-Compulsory Attendance
SB 68 allows a district to excuse a student from attending school for career investigation days to visit a professional's workplace during the student's junior and senior years to determine the student's interest in a career in the professional's field.
- FFAC(LOCAL): Wellness and Health Services-Medical Treatment
Recommended revisions to this policy are based on SB 629, which requires a district to adopt a policy regarding maintenance, administration, and disposal of opioid antagonists at each campus that serves students in grades 6 through 12.
- FFB(LOCAL): Student Welfare-Crisis Intervention
Recommended revisions to this local policy on crisis intervention include the following:
 - *In accordance with HB 3, provisions have been added at Student Reports to require each campus to establish a clear procedure for students to report concerning behavior by another student.*
 - *Revisions at Employee Confidentiality are based on SB 1720 and allow employees who report a potential threat to elect to keep their identities confidential.*
- FL(LOCAL): Student Records
HB 1416 repeals provisions related to accelerated learning committees. The references to the accelerated learning committee have been replaced with references to the accelerated education plan that now must be created for certain students who fail to perform satisfactorily on state assessments.

The Board first discussed these policy revisions at the December 18, 2023 Regular Board meeting and is now considering them for approval.

FISCAL INFORMATION:
