

RELATIONS BETWEEN OTHER GOVERNMENTAL AGENCIES AND THE SCHOOLS

The School Board recognizes that agencies at all levels of government share its concern and responsibility for the welfare, health and safety of our youth. The Board further recognizes that tribal governments are committed to meeting the needs of tribal students within the district. The Board and staff shall take every opportunity to work cooperatively with these agencies for the benefit of our students.

(cf. 1020 – Youth Services)

(cf. 9140 – Board Representatives)

(cf. 9311 – Board Policies)

The Superintendent or designee shall initiate and maintain cooperative relationships with representatives of other public agencies, tribal governments, or tribal government educational proxies in order to help our schools and students make use of the resources which governmental agencies can provide. The Superintendent or designee shall ensure that agreements with other agencies which involve the exchange of funds or reciprocal services are executed in writing so that roles and responsibilities are clearly defined. The District shall make information available to parents/guardians about shared or cooperative services so that students may benefit to the fullest extent. Agreements may be shared among agencies to prevent duplicative efforts and to expedite cooperative programs and services.
