

Insulin Litigation Background

- Nationwide lawsuit being led by a California law firm (Frantz Law Group) against various insulin manufacturers, pharmacy benefit managers, and other defendants accused of artificially inflating insulin prices at the expense of employers and health plan entities, including insurance pools.
- We are self-insured so these inflated costs are passed on to employers like OPS.
- The insulin litigation seeks monetary compensation for past damages incurred by entities related to the artificial insulin price inflation, as well as injunctive relief to stop that inflation and additional damages to deter future similar behavior.
