The Plan has been submitted by the School and is waiting LEA review.

Goal #1

close

State Goal

close

Century K-5 students will increase their proficiency by 10% from BOY to EOY according to Acadience Reading Benchmark Assessments.

Academic Area

close

- English/Language Arts

Measurements

close

We use Acadience reading progress monitoring and EOY data to determine our goals and areas of need. We will continue to use Acadience benchmark assessment and progress monitoring data to track our progress towards our goal throughout the year. This is our most critical academic need, and we understand that an increase in Acadience scores will likely indicate a higher RISE score for our older grades as well. End of year Acadience scores will show 10% growth from beginning of year.

Action Plan Steps and Expenditures

close

1. Paraprofessionals will be hired to reinforce tier-1 instruction and deliver targeted tier-2 and tier-3 interventions in small groups (\$74,484.66)
2. Consistently collaborate using data to guide our intervention strategies and to determine the needs of the students. Regular leadership team meetings will be held to assess and address the specific needs of each grade level and the school as a whole.
3. Teachers will implement adopted tier 1 programs (SuperKids and Wonders) with fidelity and integrate LETRS instructional strategies to enhance literacy instruction.
4. Throughout the year, progress monitoring will be conducted as mandated, and Pathways of Progress goals will be established and tracked regularly.
5. Coaching cycles and feedback will be implemented for both paraprofessionals and teachers to drive improvements in instruction and program implementation.

Back up plan: Century Elementary will purchase decodables to help with specific skills (vowel teams, r controlled vowels, multisyllabic, etc.) if paraprofessionals are unable to be hired.
