Re: Franklin Flexible Furniture – 2013 Bond

I would like to request adding an agenda item to the Monday, March 16, 2020 Committee of the Whole meeting to discuss the approval to purchase Flexible Furniture for Franklin High School. This recommended purchase will be from 2013 Bond funds allocated to Franklin for the purpose of completing building-based projects. The furniture will be used to convert one of their computer labs into a more flexible technology learning environment. It will mirror the computer lab conversion they completed two years ago. The furniture will be purchased through Interior Environments, using pricing from the National IPA contract, for a total amount of \$30,554.70. This price includes delivery and installation. I.E.'s quote is attached.

Please let me know if there are any questions. Thank you.
