7. Leadership Update

Q: How many students in fall 2024 were enrolled?

Smith will look up that number for next meeting.

Q: Is there a certain number of students that would require additional staff?

Smith: 225 is the current number. No additional staff will be hired after third Friday count, so not likely to get new staff this school year. Still examining internal practices to determine best allocation of resources and best practices.

Q: What is DLVA doing to prevent burnout?

Smith: Examining system to reduce practices that are not high-leverage. Focus on what is high-leverage.

Q: Is there anything with onboarding or start of year that DLVA board could do to help?

Smith & Schneider: Perhaps help with setting up for onboarding. The staff will dialogue about possibilities, then come back to board with requests or suggestions.

Motion to approve: Telford

Seconded: Nious-Randle

All in favor: all.
