**It's been a month of getting back into the swing of things after vacation. Teachers and students have been working hard on their reading and math skills. There have been a large number of daily absences due to various illnesses, and we are doing our best to get everyone healthy and caught up.**

**PTO BOUNCY HOUSE AND OBSTACLE COURSE:** The PTO provided a bouncy house and obstacle course for the student to use during PE. The teachers could also sign up for additional time during the week. It's always a fun time for our students and teachers. Thanks, PTO!
