FISCAL NOTE: Budgeted Funds

**ANTICIPATED
DATE FOR ACTION: February 27, 2006**

Background Information:

1. In the 2005-2006 edition of the Student Attendance Accounting Handbook from TEA, a new provision was introduced that provides for regular education homebound services.
2. This was not new legislation, but was an action by TEA.
3. Services for some of these students were previously provided by Special Education.
4. We have provided this service for qualifying regular education students since early this fall.
5. TASB will provide a policy in Update 77 that addresses this situation.

Administrative Considerations:

1. We have contacted TASB and they agree that we can proceed with a local policy in advance of Update 77.
2. Although procedures are in place, the policy needs to be adopted to ensure appropriate funding.
3. New information is indicated in boldface print.
