

Frederic School District

Administrative Report

May 2022

WASDA Recognitions

CONGRATULATIONS and THANK YOU to the following recipients of the Wisconsin Association of School District Administrators Bert Grover Child Advocacy Award. The recipients are eager partners of the District and were nominated as a result of their efforts to help support students and staff.

- Cooked2Serve Project
- Daeffler's Quality Meats
- Frederic Public Library
- Schaeffer Manufacturing
- Aribella's Boutique
- Youth Sports Unlimited
- Frederic Grocery
- W.I.N.G.S. Foundation
- Frandsen Family Foundation
- Crosswalk Community Church

Graduation Celebration

Congratulations to our 25 graduates and their families, who will celebrate this fantastic accomplishment on Friday night at 7 PM in the Performance Center. Our graduates also celebrated on Monday evening, at our Evening of Excellence, where approximately \$80,000 in scholarships was awarded. I wish them the very best as they run out into the great big world. Thank you to the Frederic Scholarship Foundation, and the many individual benefactors, for their dedicated work of bringing about higher education opportunities to our graduates.

Early Childhood Continuing Education

Congratulations to 3 of our Roots and Branches staff members who graduated with their Associates degree in Early Childhood over the past week, two from Northwood Technical College and one from Northwest Technical College. Two will continue their pursuit of their Bachelors degree at UW Whitewater and one will continue at NWTC for her Administrative Credential in Early Childhood. Currently, additional staff members are in various education programs at Northwood Tech, NWTC, University of Minnesota, and UW Eau Claire. By fall, 12 staff members will be actively pursuing higher education certifications and degrees.

District to Partner with WI Reading Corps

The District has developed a partnership with Reading Corps to have two reading tutors onsite next year working 1:1 with students in grades K-3. Reading Corps' goal is to have every student reading by 3rd grade and every student ready for algebra by the end of 8th grade. While this will be our first experience working with Reading Corps, we may have the opportunity to expand into Math Corps in the future.

UP COMING EVENTS

Graduation

05/20/2022 @ 7PM

CESA 11 Annual Delegate Convention:
