STATE OF TEXAS           §  
  §  
COUNTY OF CAMERON   §

AGREEMENT BETWEEN UNION DESIGN DEVELOPERS, LP  
AND THE BROWNSVILLE INDEPENDENT SCHOOL DISTRICT FOR THE  
CONVEYANCE OF A 15 FOOT EASEMENT AT THE ENTRY/EXIT DRIVE  
AT VETERANS MEMORIAL ECHS PARKING LOT

This Agreement is made by and between Union Design Developers, LP and the BROWNSVILLE INDEPENDENT SCHOOL DISTRICT, hereinafter referred to as “District or BISD.”

1. **PURPOSE OF AGREEMENT:** The purpose of the agreement is to convey an easement on property owned and maintained by the Brownsville Independent School District at the entry/exit drive at Veterans Memorial Early College High School to Union Design Developers so that Union Design Developers can run a sewer line underneath the entry/exit parking lot at Veterans Memorial ECHS to service a 12.32 acres tract of land along the west side of the Heights at Riverbend Subdivision along U.S. Highway 281. (See Attachment “A” Proposed Utility Easement).
2. Union Design Developers is planning to develop a 12.32-acre subdivision adjacent to Veterans Memorial Early College High School, for the purpose of constructing single family residential lots. (See Attachment “B” proposed site plan). In order to develop the property, it has been determined that the developer will need a 15-foot easement at the entry/exit drive at Veterans Memorial Early College High School in order to run a sewer line under the existing pavement at the school. The sewer line will be constructed by boring underneath the parking lot without disturbing the existing pavement.
3. The Brownsville Independent School District has determined that the conveyance of the Easement would serve a public purpose by allowing the development of much needed affordable single-family homes adjacent to District property. It is anticipated the children who will live in the proposed subdivision will utilize Brownsville Independent School District schools for their educational needs.

TERMS

4. The District agrees to grant a 15-foot easement for the construction of an underground sewer line under the conditions provided for herein.
5. Union Design Developers, LP, will prepare a metes and bounds description, a site plan and architectural and/or engineering plans of the proposed easement at the entry/exit drive at Veterans Memorial Early College High School and present it to the District’s Architect for his review and approval before beginning construction.
6. Union Design Developers agree they will construct the sewer line by boring underneath the existing pavement.

7. After construction of the sewer line, Union Design Developers will repair any incidental damages occurring to BISD property ensuring that BISD property is restored to its condition prior to construction. Union Design Developers agree to maintain the easement and sewer line so that BISD property remains in the condition as it currently exists and BISD property is not damaged by the grant of the easement.
8. Union Design Developers agrees to minimize the impact on the school by performing the construction work when school is not in session or after school has commenced in the morning and before it lets out in the afternoon.
9. The easement is made subject to any restrictions, covenants, easements, rights-of-way, encumbrances, and mineral or royalty reservations or interest affecting the easement whether or not appearing of record in the Official Public Records of Cameron County, Texas, to the extent that said items and matters are in effect and validly enforceable.
10. Union Design Developers indemnifies and holds harmless BISD, its agents, servants and employees from liability for all claims and causes of action of any kind of character, including those in any matter resulting from, arising out of or caused, in whole or part, by Union Design Developers or its agents, employees, invitees or licensee's activities related to the easement, occurring in, during or after the term of the easement.
11. This Agreement shall have no legal force or effect until such time as the Superintendent and the District Architect approve the plans of the proposed easement. After approval, Union Design Developers will prepare an Easement Deed for the transfer of the easement with the conditions enumerated herein, and in a form approved by the Superintendent for the Superintendent's signature and recordation at the County Clerk's office.

Executed on this \_\_\_\_ day of \_\_\_\_\_, 2022.

Re: The Heights at Riverbend Subdivision  
Total Amount of Lots: 120

Dear Mr. Hinojosa,

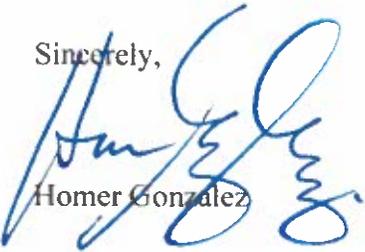

Per our meeting last week regarding our request for a 15ft Easement in order to run a sewer line to the East Side of the Subdivision along Military Hwy US 281. This line will go under driveway to 12.32 acres which are owned by Union Design Developers.

I have attached the following documents for your review:

- A. Survey - Meets & Bounds – Military Highway US 281 Veterans High School
- B. Survey – Meets & Bounds – 12.316 acres
- C. The Heights at Riverbend Plat

Should you have any additional questions or wish to discuss this matter further please do not hesitate to contact me.
