Subject: Invitation to Present on Star Quilts and Indigenous Geometry at Hardin High School

To: Jennifer LaFromboise-W... <JenniferL@bps.k12.mt.us>

Dear Jennifer,

I hope this message finds you well. I am writing to extend a special invitation for you to share your knowledge and passion for Star Quilts with our students at Hardin High School. We are hosting an educational session on December 2, 2024, and would be honored if you could join us as a guest speaker.

Given your deep understanding and experience with Star Quilts and their cultural significance, we believe your presentation would provide our students with valuable insights. Additionally, we would like to connect your presentation to our math and geometry curriculum by exploring the concept of *Indigenous Geometry*, showcasing how traditional geometric patterns are embedded in cultural artistry such as Star Quilts.

Event Details:

- **Date:** December 2, 2024
- **Time:** 8:30-3:00 pm
- **Location:** Hardin High School
- **Audience:** Tim Kaldahl math and geometry classes

Your expertise would offer a unique and engaging way to illustrate the application of geometric concepts in Indigenous art. By incorporating Indigenous Geometry, we hope to deepen students' understanding of mathematical principles while highlighting their cultural relevance and significance. Thank you - Ahóoh
