Item Name: CONSIDER APPROVAL OF RFP #14-2025TB PROFESSIONAL DEVELOPMENT

Item Summary: The purpose of RFP #14-2025TB Professional Development is to solicit proposals for professional development and will add to our current roster of awarded vendors. This type of award is beneficial to the District as it allows campuses and departments a variety of vendors to select from, while ensuring that the District is compliant with purchasing regulations according to TEC 44.031 and EDGAR.

This RFP requests vendors to supply credentials, high-quality professional content details, evaluation tools, TEKS &/or Industry standard documents and pricing specific to LCISD. In addition, vendors must provide their capability of multi-platform delivery options (face-to-face, online, etc.). Pricing that is specific to Lamar CISD benefits with budgeting and overall planning for staff development services and related materials.

This RFP will be multi-awarded as a one-year term contract with four (4) automatic one (1) year renewal options. This contract will have a final ending date of May 31, 2030. Contract terms may include a District election to add formal subsequent proposals. Either party may provide a 30-day advance written notice of intent to cancel prior to the annual termination.

Recommendation: Administration recommends that the Board of Trustees consider approval of additional vendors which submitted proposals.
