Purpose of Agenda Item: Action needed

Administrative Recommendation: Move to approve the proposed resolution to recognize May 2025 as Teacher Appreciation Month in Killeen ISD, as presented.

Background Information: Teacher Appreciation Week originated in 1953 but was not formally recognized until 1980, to recognize the dedicated efforts of teachers. Historically, Teacher Appreciation Week is recognized the first full week in May to recognize teachers for their hard work, dedication, and commitment to providing the very best education for our students in Killeen Independent School District. Teachers have exemplified ingenuity, resilience, passion, and strength as we have navigated through unprecedented challenges. Teachers spend countless hours each week making sure that their students have the knowledge necessary to be successful, in and out of the classroom. Their dedication has contributed to making Killeen Independent School District strong. To honor and recognize KISD teachers, the administration recommends extending Teacher Appreciation Week into Teacher Appreciation Month in Killeen ISD.
