SUPERINTENDENT'S  
AUTHORITY

All personnel are employed subject to assignment and reassignment by the Superintendent or designee when the Superintendent determines that the assignment or reassignment is in the best interest of the District. Reassignment shall be defined as a transfer to another position, department, or facility that does not necessitate a change in the employment contract of a contract employee. Any change in an employee's contract shall be in accordance with policy DC.

Any employee may request reassignment within the District to another position for which he or she is qualified.

ASSIGNMENT  
RESTRICTIONS

An employee shall not be assigned to a professional position where he or she would be under the immediate supervision of a person who is related within three degrees by consanguinity or two degrees by affinity.

The Board shall be fully apprised of assignment issues prior to employment. Should there be any question regarding supervision or evaluation of an employee, the Board may request a review.

CAMPUS  
ASSIGNMENTS

The principal's criteria for approval of campus assignments and reassignments shall be consistent with District policy regarding equal opportunity employment and with staffing patterns approved in the District and campus plans. [See BQ series] In exercising their authority to approve assignments and reassignments, principals shall work cooperatively with the central office staff to ensure the efficient operation of the District as a whole.

In accordance with the District's local innovation plan exemption regarding SBEC certification [see DBA], the Board shall have the authority to approve a request by the principal for a qualified individual with knowledge in a subject area to teach that course or subject in accordance with the District's local innovation plan and administrative procedures. [See DBA]

SUPPLEMENTAL  
DUTIES

Noncontractual supplemental duties for which supplemental pay is received may be discontinued by either party at any time. An employee who wishes to relinquish a paid supplemental duty may do so by notifying the Superintendent or designee in writing. Paid supplemental duties are not part of the District's contractual obligation to the employee, and an employee shall hold no expectation of continuing assignment to any paid supplemental duty.
