## **SUMMER 2026**

We are excited to begin 2026 Summer Recreation programs and classes. We have worked hard to create a comprehensive program that is both child and family friendly. With this configuration, students can participate in many different programs simultaneously. Cody Hickman and our summer staff have been busy getting all the details ready for the multiple programs we have running this summer. Go Tigers!

## **SUMMER STAFF**

We have most of the staff in place for Summer 2026. You have a listing of our summer staff predicted as part of this report.

## **YOUTH SOFTBALL**

Our Elementary Softball draft was held on April 15. We have 69 girls participating on six different teams. This is up 6 students from Summer 2025. The first games were scheduled for May 13. Our 14U and 18U League games begin on Tuesday, June 9.

## **TIGER TRACK & FIELD**

Tiger Track and Field remains part of our June schedule. We are excited to have MACA Tiger track coach Tina Bauleke leading this program in Summer 2026.

Formally known as Camp Alpha, Rocket Camp is scheduled June 22 & 23. We are excited to once again have Mr. Matt Huot facilitating Rocket Camp in Summer 2026.
