

## BOARD REPORT

### TECHNOLOGY

June 2025

I have been working on moving teachers around and adding new teachers. Also, putting all the classrooms back together after the custodians clean each room.

We are working on getting the new Tiger Success Center up and running.

Updating and scanning each teacher's computer to get them ready for next school year. If needed, the computers are being replaced and Windows 11 is being installed.

New firmware is being installed on the Cisco switches and making them managed to help detect storms and loops.

New license for the firewall is being installed.

Updates on the new server are being installed.

Firmware updates are being done on the video surveillance camera software.

I am installing Chromebooks in the carts for the junior high.

Setting up the new Chromebooks for high school.

We are putting high end access points in big gym and cafeteria.

We are adding a screen and projector in the Bluffview Gym

I am updating the employee list on the phone and server login list.
