Agenda	Notes
Welcome-Jenny & Josh	

SCC Schedule Update-Josh	Hybrid Schedule will continue for nowcontinuously monitoring and will pivot if needed in March to best align with county schools.
2021 Career Day and Open House Update- Josh	
Virtual Career Day and Open House	
New 20-21 Program Updates- Jenny	HVAC (2 year program, 1 session, partnership with Local 85) Automotive Technology (2 year program)
New 20-21 Advanced Training Opportunities Update - Jenny	Fire Academy- through Law and Public Safety program. This is a partnership with Delta College, City of Saginaw Fire Department, and SCC.
	Other second year opportunities discussed but not confirmed, could be potentially accessed through Medical Careers, Nursing Occupations, or PT/Sports Medicine (for students that are not staying for year two). These include: EMT, MA, and an accelerated pathway to becoming a registered nurse. MA will not be an option for the 21-22 school year, but it is our hope

	to bring that to students the following school year. We will also be revisiting our registered apprenticeship pathway for MA, which would be accessed through our Medical Academy. We will confirm whether or not the other two advanced training options will be available this fall shortly.
	Hospitality Administration certificate-accessed through Culinary Program for 21-22, if we can offer it. (We are waiting on SVSU for their program of study to determine feasibility.)
Construction Projects Update - Tim/Josh	Health wing finalizedprograms moving in Domino effect with classrooms and labs. Several quotes below address these needs.
